SPOOKY SEASON!

Halloween is approaching and I have highlighted some spooky and other seasonal events and activities in our "Things To Do" feature pages.

Please do leaf through the pages and note the new advertisers including Council initiatives to invest in Communities and Shared Repairs, for Edinburgh Dog and Cat Home, and Health for Life (on the Back Cover) for spine related wellness. If there are services or businesses you think helpful but not here, let me know and I will try to find some for future issues.

LET Property

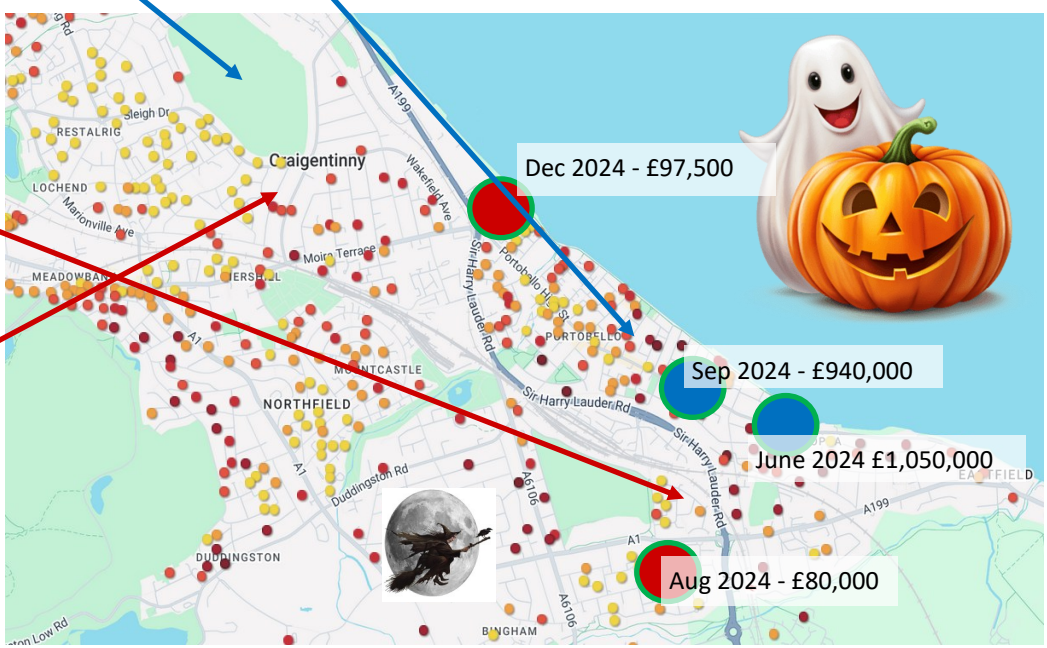

Over 65% of the population of UK own their own home and this is one reason why we are generally interested and talk about them so often.

I have tried to include a regular feature of homes on the market and this month, as well as 2 of the largest and 2 of the smallest, I have included a map (see below) showing the homes that have been sold in the last year although there is generally a 3 month time lag so the most recent transactions won't be included.

I have also included the 2 highest prices and the 2 lowest prices paid for homes in the area. To spare potential blushes I have not included the addresses!

I like to change things around from time to time and last month AI provided the puzzles. This time we go back to "old school" MENSA, the famous High-IQ society.

Guide Dogs is seeking volunteers to raise a puppy for a year

Puppy walkers start puppies on their journey to fully -fledged guide dogs, caring for them until they are ready for training school. Like all puppies, they start off as little bundles of fluff and mischief and you get to see them develop and grow. Volunteers teach basic obedience and socialise them while Guide Dogs covers all feeding and vet costs. The puppy will normally be placed at 7 weeks old and will leave for formal training at 12-14 months. It is still possible to become a puppy walker even if you have a pet dog. To find out more, call Emma Murton on 0345 143 0203 or visit www.guidedogs.org.uk/volunteering.
