December has begun and with it comes a period of festivity which, for some, started as early as mid-November. However it is safe to say I've been getting into the Christmas spirit with all the décor you can see around this time of year. Part of the festivities I enjoy are the Christmas markets and our regular "Things to do" Feature on Pages 8 & 9 is jam-packed with activities for the whole family. Portobello Town Hall is hosting the Christmas edition of the Maker's Market on Sunday 7th December which is a great way to do your Christmas shopping whilst also supporting local creators.

If you want to venture into the city, take a look at our Front Cover for the St John's Church market on Princes Street and this year's panto is Beauty and the Beast, which is a great day out for all ages, and runs throughout December from the 5th-28th at the Festival Theatre.

As the year comes to an end, I think it best to reflect on what has been another successful year for Porty. With the opening of new businesses, improvements to the area and lots of success for local residents, let's try and keep improving Portobello for all, and have another amazing year come 2026.

I hope you have a lovely Christmas, Hanukkah, or anything else you may be celebrating this December.

Here is a summary of some of the main articles reported by a range of media outlets and posted on our Facebook Page that relate to our local area of Portobello, Craiginntny, Joppa and Brunstane.

Edinburgh Live & Daily Record both had articles on the **Craiginntny Marbles** - a 177yr old Mausoleum for William Henry Miller, a landowner and Member of Parliament, who moved to the area after losing his seat in 1841.

Another article in **Edinburgh Live** covered the closure of Balerno and **Portobello police stations** with the Scottish Conservatives suggesting the blame lies with SNP's cuts to police budgets.

Edinburgh Live also reported the arrival of 12 **Lidl stores in Edinburgh including one in Portobello**, although further research suggests this might be at Seaforth Retail Park along Seafield Road.

Portobello water polo club's

Joe Mathieson has been selected for the GB under-20 men's squad preparing for European Championships in Portugal next August according to **Edinburgh Reporter**

Plans have been approved to demolish an Edinburgh water tower and build a new **block of six flats on Pittville Street** Lane in Portobello so I read in **Edinburgh News**

STV News ran a story on residents rallying to save the **George Bingo Hall** over concerns for its future after the City Council decided against serving a defective building notice on its owners.

Meanwhile **Edinburgh News** ran a story about residents rallying against a proposed **Controlled Parking Zone from Kings Road to Joppa**. This following an angry Public meeting in the Town Hall in May when Labour's Transport Convener struggled to control the event.

Reporter from the **Daily Record** paid a visit to **Portobello** after it was named **2nd best** coastal area in UK last year and described it as “two-mile long beach, a charming high street and great food and drink options, it's the perfect place for a day trip.”

Last month Police said a man had been charged in connection with road traffic offences after disruptions to trains and buses following a report of a skip lorry hitting a bridge between Brunstane and Newcraighall.

Over 65% of the population of UK own their own home and this is one reason why we are generally interested and talk about them so often.

I have tried to include a regular feature of homes on the market and this month, as well as 2 of the largest and 2 of the smallest, I have included a map (see below) showing the homes that have been sold in the last year although there is generally a 3 month time lag so the most recent transactions won't be included.

I have also included the 2 highest prices and the 2 lowest prices paid for homes in the area. To spare potential blushes I have not included the addresses!

For years I presented puzzles from the MENSEA but thought it was time for a bit of a change, so here is a selection of slightly different puzzles to tease your brain.

As a Christmas gift, parents buy 16 computer games for their 3 children. The youngest gets $\frac{1}{8}$ of the games, the middle child gets $\frac{1}{4}$ of the games and the oldest gets $\frac{1}{2}$ of the games. How many games does each child receive and how many do the parents keep?

Two mums and 2 daughters went out for Christmas dinner each ate one portion, yet only three portions were eaten in total. How is this possible?

If it takes 5 elves 5 minutes to make 5 dolls, how long would it take 100 elves to make 100 dolls?

Last month's answers:

Q1: Antelope, Juvenile, Repeated, Snowball, Estimate

Q2: More Hours in 10 years (87,600) than Secs in a day (86,400)

Q3: Too many cooks spoil the broth
