

# Effortlessly connect to the life you love.

You expect your hearing aids to fit perfectly with your lifestyle.

evolv<sup>AI</sup>

Introducing **Evolv AI**, Starkey's **NEW** complete portfolio makes effortless hearing the expectation.

With **Evolv AI Completely-In-Canal** you can easily connect to other Bluetooth enabled technology such as smartphones, tablets, TVs and other audio devices. This gives you more control, ease and options for your hearing aids than ever before. With up to 55 million personalised adjustments every hour, Evolv AI delivers realistic and genuine sound quality in every listening environment without the need to do anything extra.

**When it comes to better hearing innovation, you can expect effortless.**
