NOVEMBER

Fun fact - The name November comes from the Latin word novem, meaning "nine," because it was the ninth month in the original Roman calendar before January and February were added.

It marks the transition between Autumn and Winter and, my goodness does it really feel like it. At the time of writting there has been a marked change in temperature, central heating has been fired up and I have even seen Christmas themed choclates on display in local shops.

If upu have not already done so, then you should consider geting your annual boiler serviced and I know a few good plumbers who can help.

Garden will also need some maintenance and as grass cuttinig slows, pruning, cutting back, moss treatment and raking take over. If that sounds like too much hard work, don't worry because, guess what? I know a few good people who can help. In fact, this month's magazine is chocker block with people who can help around the house, inside or out so please do give them a call. We do the hard work of fiinding good local business so you don't have to and the vast majority of our advertisers have been known to us for years so are dependable.

We aso have a good archive of reliable business who no longer advertise with us but that we are happy to recommned and have done so fairly recently. If you can't fnd what you are lookiing for within the pages of the magazine just drop me an email with your query and I will try to help as best I can.

The next issue won't be until January so, for now, keep warm and safe. Have a great Christmas and New Year and hopfully be in touch in January.

Here is a summary of the main articles reported by a range of media outlets that relate to our local area including Duddingston, Brunstane, Portobello and Willowbrae.

Following concerns about flooding after a recent deluge of rain I was surprised to see a report in ***Edinburgh Liv***e of a submeged road due instead to a burst water main, the responsibility of Scottsh Water. **Duddingston Road South was closed for 12 days.**

Edinburgh Live also reported on a story of a man found guilty of mistreating a dog after it was found barking and **howling in a Duddingston propert**y. The owner also pleaded guilty to threatening or abusive behaviour.

Anyone like me who watches TV's Grand Designs may have been interested in an article from ***Edinburgh Reporter*** describing tials and tribulations of a **Portobello couple building their new home on Brunstane Roa**d. Partway thorugh the project they converted an old railway station to move out of a caravan on-site.

Half of Scotland's wild swimming hotspots, including **Portobello, breached pollution standards** this year due to unsafe levels of "faecal bacteria" including E.coli according to a report in ***Daily Record***.

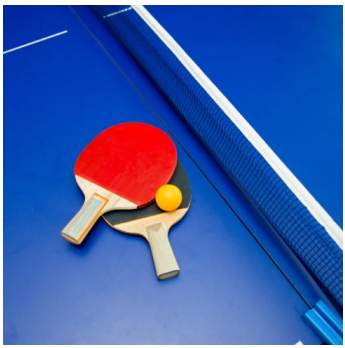

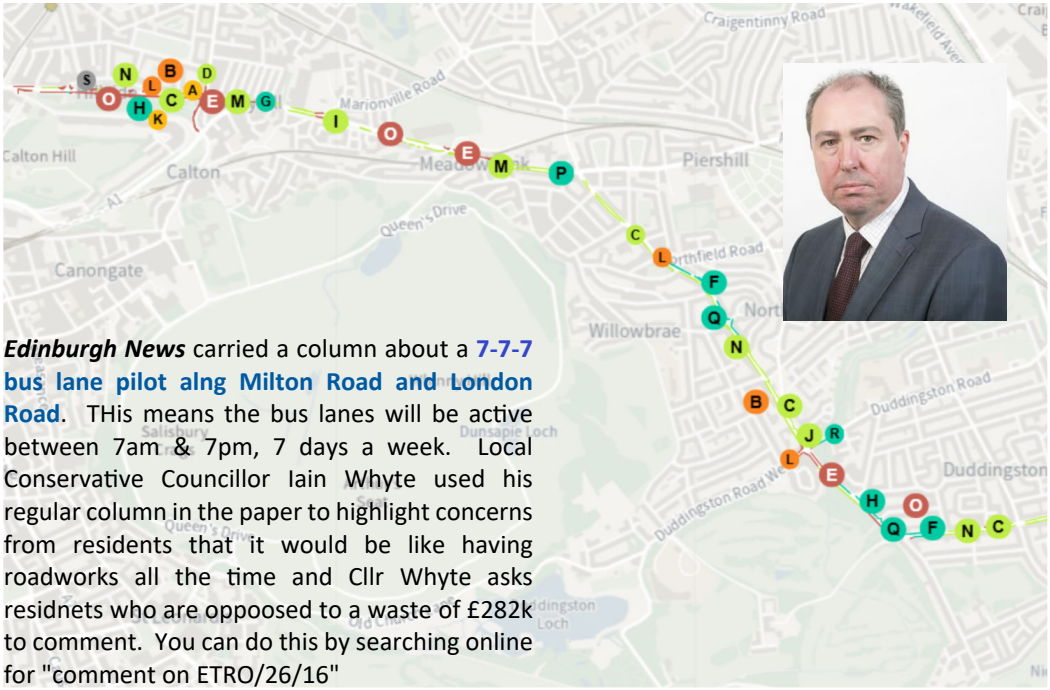

Portobello resident Ann Dignan is refusing to let sight loss hold her back, said Edinburgh Live. Her multisensory exhibition is being displayed at The Scottish Storytelling Centre. She also runs the Macular Society Portobello Support Group.

The ***Daily Record*** was amony many outlets reporting on a video of an **Elvis impersonator performng on Portobello** Promenade going viral on the social Media platform Tiktok with Craig Stephens picking up more than 2 million views.

Abercorn Sports Club in Willowbrae have added table tennis to the regular tennis and squash competitive activities. The ***Edinburgh Reporter*** say they were delighted to have won their first competitive match against Penicuik.

Edinburgh News carried a column about a **7-7-7 bus lane pilot alng Milton Road and London Road**. THis means the bus lanes will be active between 7am & 7pm, 7 days a week. Local Conservative Councillor Iain Whyte used his regular column in the paper to highlight concerns from residents that it would be like having roadworks all the time and Cllr Whyte asks residnets who are oppoosed to a waste of £282k to comment. You can do this by searching online for "comment on ETRO/26/16"

The Northern Lights were strongly visible again and locals in the north and east of the city - including Granton, Newhaven and Portobello got a great view according to Edinburgh Live.

Northfield & Willowbrae Community Council

Scan me!

How often does the community council meet? Meetings are held bi-monthly on the second Tuesday of the month.

When is your next meeting? Our next meeting is on Tuesday 10th November at Northfield Community Centre, 10 Northfield Road, Edinburgh, EH8 7PP. The meeting runs from 7pm-8.30pm

How do I get something on the agenda for discussion? Please email our secretary at least 15 days prior to the next meeting date (secretary@northfieldandwillowbrae.org.uk).

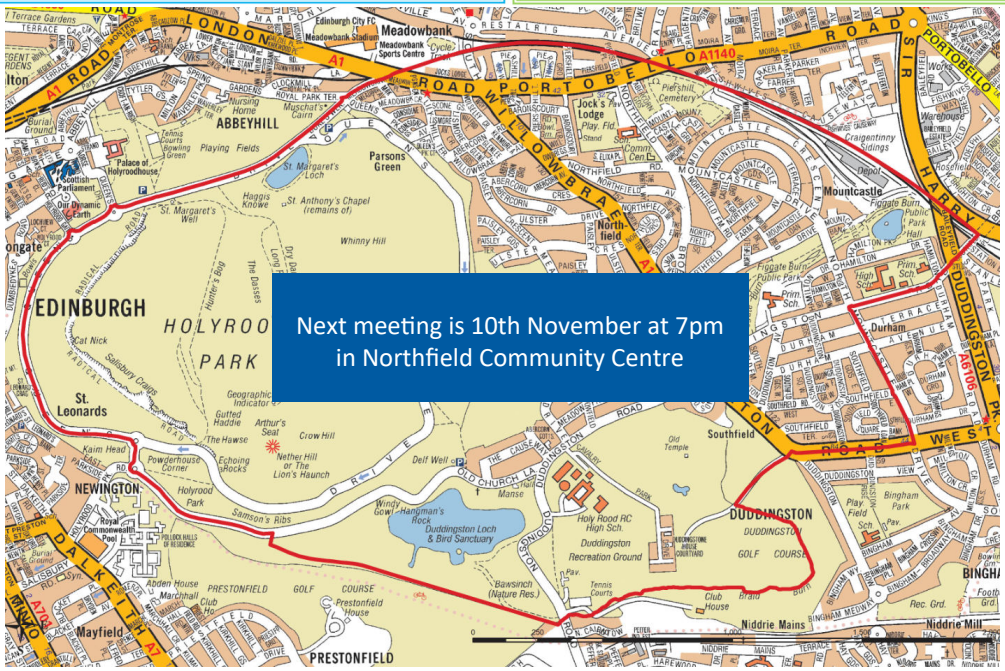

Can anyone go to the meetings? If you are a resident within our area, you are welcome to come along and observe what happens at our meetings. There is time at the end of our meetings under the Public Forum agenda item where you can have your say.

Can anyone become a member? Anyone aged 16+, who is a local resident and has an active interest in helping their local community can stand for election. If you are interested in joining us, please contact: chair@northfieldandwillowbrae.org.uk

How do I keep up-to-date with NWCC issues? Our agenda and meeting minutes are posted on our website and Facebook page. Search for us using "northfield and willowbrae community council", or use the QR code above (simply hover your smartphone camera over the QR code and press the link in the yellow box that appears below the image).

Local Place Plan: the Community Council has now completed a Local Place Plan (LPP) covering our area. Prepared over a two-year period from summer 2024 – 2026, it involved ~ 30 different consultation events and ~900 questionnaires were returned from local people on a host of local Planning, Environmental and Transport issues. LPP 'Proposals' are grouped across nine 'community' areas. It was submitted to City of Edinburgh Council (Planning Services) in September. Planning will now consider the various 'LPP Requests' contained within the LPP and inform us of those they consider can be incorporated into their new 'City Plan 2030-40'. There are a host of 'Other Proposals' that the Community Council hopes to take forward, with the help of others, over the coming years. A hard copy is available at Piershill & Portobello Libraries & Northfield Community Centre, or on our website under Meetings 2026.

Women's Conversation Café: the Conversation Café dates for the next two months are Wednesday 4th November and Wednesday 2nd December, at 1.30pm at the Northfield Community Centre. This is a warm, friendly drop-in space for women of all ages and nationalities. Come for a cuppa, a chat and a chance to meet new people. Whether you're new to the area, want to practise speaking English, or are just looking for friendly conversation, you are very welcome.

Volunteers are welcome at our regular workdays which take place on the second Saturday of the month (see below).

Guide Dogs is seeking volunteers to raise a puppy for a year

Puppy walkers start puppies on their journey to fully-fledged guide dogs, caring for them until they are ready for training school. Like all puppies, they start off as little bundles of fluff and mischief and you get to see them develop and grow. Volunteers teach basic obedience and socialise them while Guide Dogs covers all feeding and vet costs. The puppy will normally be placed at 7 weeks old and will leave for formal training at 12-14 months. It is still possible to become a puppy walker even if you have a pet dog. To find out more, call Emma Murton on 0345 143 0203 or visit www.guidedogs.org.uk/volunteering.
